

MINING PERMITS INVENTORY

Plates IV-A and IV-B, located in the sleeve of the report, present the known permit boundaries for deep and surface operations within the watershed.

The following tabulation summarizes individual mine information that accompanies Plates IV-A and IV-B including:

- (1) mining or drainage permit number
- (2) issue date of permit
- (3) permit area
- (4) operator name and address
- (5) mine name
- (6) mine type (D-deep, S-strip, A-auger)
- (7) coal seam

The information has been acquired from the DER Central Office, Harrisburg.
