Subject: Mine Drainage Pollution Survey
Hillman State Park, Raccoon Creek Watershed
Project No. SL-130-2
ACAA Project 69014

Dear Secretary Goddard:

This letter transmits our engineering study of acid mine drainage in Hillman State Park, Washington County, Raccoon Creek Watershed. The report is presented in accordance with our agreement for services dated May 29, 1970.

Our study presents a review of existing problems and recommends a plan for correction. Cost estimates and suggested work priorities are included.

We appreciate the opportunity to have performed this work and sincerely acknowledge the cooperation and assistance of the entire Department.

Very truly yours,

A. C. ACKENHEIL & ASSOCIATES, INC.
