Department of Environmental Resources
Harrisburg, Pennsylvania 17120

Subject: Contract No. SL-197
Mahanoy Creek Watershed
Mine Drainage Pollution Abatement

Our Project No.: 3425

Dear Mr. McConnell:

In accordance with Section 1.5-8 of the above contract, we are submitting herewith our final report. The report presents the results of our study and recommendations for abatement of mine drainage pollution for the Mahanoy Creek Watershed.

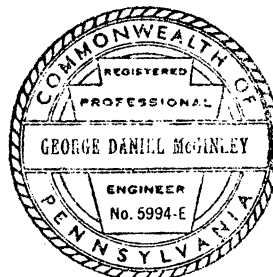

Very truly yours,

SANDERS & THOMAS, INC.

G. D. McGinley, P.E.
Vice President
