

## LIST OF AVAILABLE MINE MAPS

The following mine maps are available at a scale of 1000' = 1" at Delta Associates. Most of these maps are available at a scale of 100' = 1" at the Department of Environmental Resources in Harrisburg. The maps pertaining to Rochester & Pittsburgh Coal Co. and Northwestern Mining Exchange Co. are available at their offices. Most of these mines are interconnected and thus have an effect on each other. Below is a list of these mines with the project areas affected in their immediate area.

Elk Run Shaft	Rochester & Pittsburgh Coal & Iron Co.	None
Adrian # 2 Mine	S. A. Rinn Co.	None
Adrian # 3 Mine	S. A. Rinn Co.	None
Adrian # 5 Mine	S. A. Rinn Co.	None
Onondagua Mine	Onondagua Coal Mining Co.	None
Florence # 1 Mine	R & P Coal & Iron Co.	None
Florence # 2 Mine	R & P Coal & Iron Co.	None
Elanora Shaft	Rochester & Pittsburgh Coal Co.	17
Elanora # 2 Mine	Rochester & Pittsburgh Coal Co.	17
Cramer Mine	Northwestern Mining & Exchange Co.	16
Helvetia Mine	Rochester & Pittsburgh Coal Co.	13, 15
Cascade Mine	Buffalo & Susquehanna Coal Co.	15
Powhattan Mine	Powhattan Coal & Coke Co.	15
Hamilton Mine	R & P Coal & Iron Co.	15
Eriton Mine	Northwestern Mining & Exchange Co.	14, 15
Sykesville Mine	Cascade Coal & Coke Co.	15
Stanley Mine	Rochester & Pittsburgh Coal Co.	13, 15
B & S Mine	Buffalo & Susquehanna Coal Co.	15
Big Soldier Mine	Jefferson & Clearfield Coal & Iron Co.	18
Old Britton Mine	Unknown	17
Sykes Mine	Northwestern Mining & Exchange Co.	15
